Subject: RE: Weight of the World agency wide offering

Mohammed and Kam,

We have a request from our agency level EAP to host a conversation about race relations. We wanted to connect them to our AAERG leadership since you all are at the forefront of this. Janine Scoville is over the EAP at the agency level and wanted to discuss working with you all for an agency-wide WOW event.

Kindest Regards,

(b) (6)

Subject: Weight of the World agency wide offering

Hi Janine and (b) (6)

Starting this convo with the request that you each add the people who need to be added to plan and promote an agency wide presentation of the Weight of the World discussions on racism.

(b) (6) is much more familiar with the AAERG point of contacts folks who need to be on board for this, and Janine knows who on her team needs to be part of the planning and promotion.

On my part, I will do all I can to help free up (b) (6) calendar to facilitate the discussion.

Janine – thank you for wanting to offer this important topic agency wide.

(b) (6) – thank you for bringing your considerable skills and passion to this endeavor.

I will be out of the office today for family care, but will be checking emails.

In appreciation,

(b) (6)
