REPORT CONTENT AND ADDITIONAL CLARIFICATION NOTES

Pursuant to the Legislative Branch Appropriations Act of 1965, as amended (2 U.S.C. § 4108), sections B and C are compiled for each office of the Senate at a summary level with the exception of expenditures relating to personnel compensation, travel and transportation of persons, other contractual services, and acquisition of assets. Further, each semiannual report is posted on-line in electronic form on the website of the Senate in a searchable, itemized format.

Additional Clarifications and Comments:

1. All cities mentioned are in the Senator's home state unless otherwise indicated.
2. Salaries reported in the payroll abstract are for the period of April 1, 2021 through September 30, 2021 unless otherwise indicated.
3. For the Senate National Security Working Group accounts, under the Miscellaneous Items appropriation, the detailed payroll information for the employees who are designated to the Senate National Security Working Group is shown under the Senator, Committee or Leadership office.
4. Detailed payroll information for the reported six month period may not reflect all payroll adjustments included in the summary of net payroll expenses. Deviations are possible due to the timing of posting adjustments.
5. Pursuant to P.L. 108-83, Section 10, a Senator from a noncontiguous State may pay a high cost of living allowance to an employee located in that State. The allowance paid under this section has been included in the detailed payroll information reported by payee name, but is not reported as part of the summary of net payroll expenses.
6. Sec. 4020 of P.L. 116-136 established the Congressional Oversight Commission in the legislative branch. For this six month period, the Senate paid \$178,319.19 on behalf of the Commission from the contingent fund of the Senate. These monies are to be reimbursed by the Secretary of the Treasury as stipulated in statute.
7. Beginning in fiscal year 2019, Legislative Branch Appropriations Acts provided Senators' offices with an allocation for the sole purpose of compensating interns. This allocation cannot be combined with the Senators' Official Personnel and Office Expense Account, and is listed directly following each Senator's Account.
8. Some summary data in Section B may be reflected in categories that are different than in previous *Reports of the Secretary of the Senate*, due to translation of data from legacy to modernized systems.
9. In Section B, some page groupings were combined compared to previous Reports of the Secretary of the Senate, to reflect the funding that was provided without apportionment.
